

## Kiddy Academy Prevent Duty Policy

### Appendix to Safeguarding Policy The Prevent Duty & Promoting British Values

From 1st July 2015 all schools, registered early years childcare providers and registered later years childcare providers are subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015, in the exercise of their functions, to have “due regard to the need to prevent people from being drawn into terrorism”. This duty is known as the Prevent duty.

**Kiddy Academy Day Nurseries** we take Safeguarding very seriously, therefore to ensure that we adhere to and achieve the Prevent duty we will;

- Provide appropriate training for staff as soon as possible. Part of this training will enable staff to identify children who may be at risk of radicalisation
- We will build the children’s resilience to radicalisation by promoting fundamental British values and enabling them to challenge extremist views (for early years providers the statutory framework for the EYFS sets standards for learning, development and care for children from 0-5, thereby assisting their personal, social and emotional development and understanding of the world)
- We will assess the risk, by means of a formal risk assessment, of children being drawn into terrorism, including support for extremist ideas that are part of terrorist ideology
- We will ensure that our staff understand the risks so that they can respond in an appropriate and proportionate way
- We will be aware of the online risk of radicalisation through the use of social media and the internet  
As with managing other safeguarding risks, our staff will be alert to changes in children’s behaviour which could indicate that they may be in need of help or protection (children at risk of radicalisation may display different signs or seek to hide their views). The Key Person approach means we already know our key children well and so we will notice any changes in behaviour, demeanour or personality quickly
- We will not carry out unnecessary intrusion into family life but we will take action when we observe behaviour of concern. It is important to assist and advise families who raise concerns and be able to point them to the right support mechanisms.
- We will work in partnership with our LSCB for guidance and support
- ***All staff will work towards achieving online certificated channel awareness/training***

This policy is an appendix to our organisation safeguarding policy and will be implemented as part of our safeguarding strategy
